ABOUT THIS BSc (Hons) BUSINESS MANAGEMENT (TOP-UP) QUALIFICATION

THE POWER OF PROGRESSION

The aim is progression which will enable you to obtain internationally-recognised qualifications in less time! Credits earned through these qualifications can be used in further study applications.

Example; Two 16-year old students are working towards a 3-year degree starting in 2024.

- Student 1 follows the **OLD WAY**.
- Student 2 follows **OUR WAY**.

A Business Management qualification opens doors and is considered essential whether you are looking to pursue a career in business, or achieve higher levels of responsibility in your current role. We aim to enable you to build upon your existing Foundation Degree, Level 5 Diploma or HND Level knowledge and gain a BSc (Hons) Business Management degree. You will study advanced aspects of business and management, enhance your professional skills, and boost your employability.

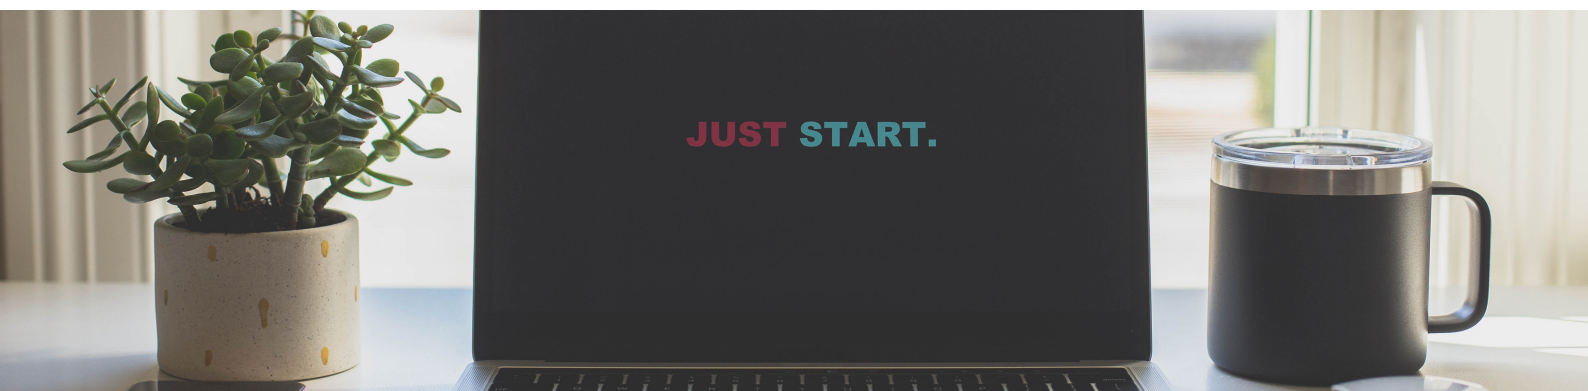

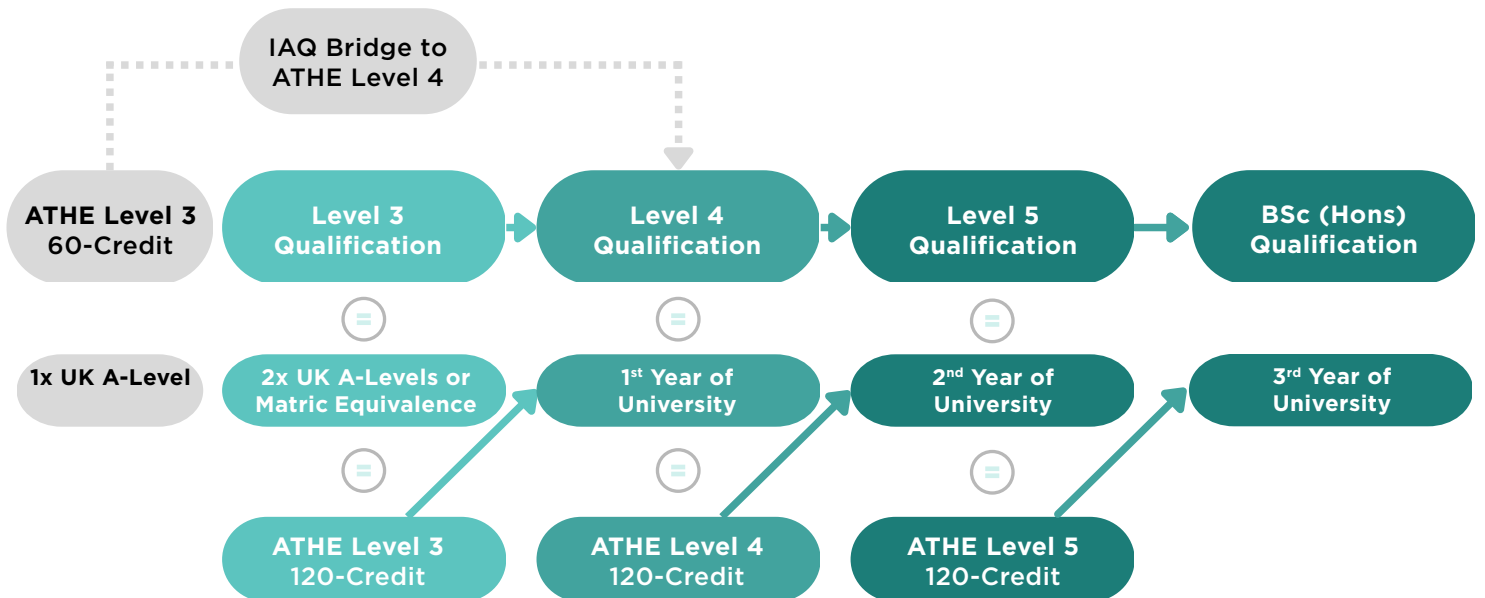

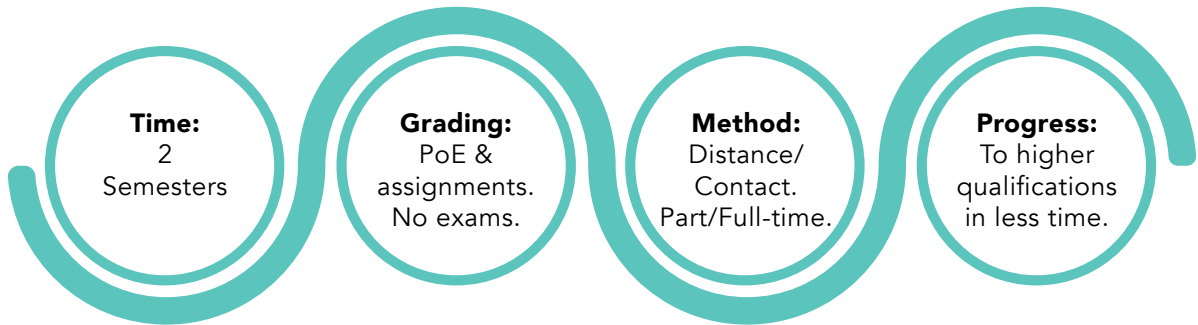

With a focus on international environment, the programme aims to prepare you for the global nature of modern business practice. This degree programme provides you with the opportunity to develop real-world specialist business expertise as it covers a variety of subject areas informed by the latest global practices. Throughout this programme, you will gain confidence by developing essential workplace skills, such as team work, communication, and time management, while also fostering a lifelong appreciation for self-evaluation and reflection.

Regardless of the industry you work in, the BSc (Hons) Business Management (Top-Up) programme will provide you with a critical understanding of the problems and challenges facing organisations worldwide and equip you with the analytical and critical qualities to identify and articulate potential solutions.

COURSE HIGHLIGHTS

Specifically, the programme seeks to develop a wider knowledge of organisations, their management and the external contexts in which they operate. You should develop intellectual capabilities of critical analysis, evaluation and synthesis, culminating in a dissertation as well as academic and professional skills to allow for opportunities for further career and business development.

The programme aims to encourage further study, lifelong learning skills and personal development so as to be able you to work independently and as part of a team.

PROGRAMME ACCREDITATION

The qualification is fully accredited by the **University of Bolton**.

ADMISSIONS REQUIREMENTS

- Applicants with Level 5 qualifications (for example Higher National Diploma, ATHE Level 5 Diploma in Business) from approved awarding bodies will be considered for transfer to the final stage of the BSc programme and earn their degree in one year.
- Applicants who have successfully completed 2 years of study at a university can be considered for direct entry with advanced standing. Other equivalent qualifications may be accepted for entry to this programme.
- Decisions for admissions will be based on overall suitability for the programme and whether the minimum entry requirements of holding GCSE English and mathematics at Grades C and above (or equivalent) are met.
- Individuals who are based outside of the UK may need to demonstrate English at IELTS LEVEL 6.

TECHNICAL REQUIREMENTS

Our platform is fully technology-driven, therefore students will need a reliable PC/laptop/tablet or regular access to one.

A stable internet connection with sufficient data to access online resources and participate in programme activities will be provided to in-contact/on-campus candidates.

You will also be provided with a Microsoft (MS) Office 365 account, giving you access to the full MS suite along with numerous resources that will assist you in completing tasks and assignments.
